

How to report your medical certification exam

CFR 383.71 and 601 KAR 11:050 require all CDL holders provide a copy of a valid certification card signed by a certified medical examiner from the National Registry to the Division of Driver Licensing to maintain a valid CDL.

The certificate may be;

- **Uploaded and submitted through the MY CDL/Kentucky Document Portal at <http://mycdl.ky.gov>.**

**You will receive an immediate response via email when your documents have been received. You will also receive an immediate email when your documents have been successfully processed to your CDLIS driving record.*

**If your documents cannot be verified and your CDLIS cannot be updated, you will receive an email informing you that the documents were rejected. You may re-submit your documents once all the corrections are made.*
